FOR ALL THINGS PAVING

NUBRIK

CLAY PAVERS

CLASSIC

The Classic range are premium red and cream based pavers. They have a smooth texture and are available in a unique mix of surface treatments.

CLASSIC RED

TERRACOTTA

CLASSIC CREAM

WOODLANDS

Woodlands pavers have been fired to produce a blended tone which adds interest to the overall pattern.

Nubrik are a top quality range of clay pavers. The Nubrik range has been used extensively throughout New Zealand with over 500,000m² installed.

These include prestigious projects such as Auckland Sky City, Auckland Viaduct Basin as well as prominent South Island locations such as Blenheim and Timaru CBD's through to the streets of Arrowtown and Queenstown.

The pavers offer the highest technical properties backed with 15 year product guarantees*.

Pavers are available in 50mm and 65mm Thickness

With over 40 years in the industry the staff of Horizon can assist with any technical assistance.

*Based on installation in line with Manual One by NZ/AUS Clay Brick and Paver Institute.
