

Soy Safe Eco Degreaser®

GuardIt Soy Safe Degreaser® is a safe, industrial strength degreaser and cleaner that combines safety and performance.

A heavy duty, water-based, low foaming, hard surface degreaser specifically formulated using the latest revolutionary soy solvent technology to remove grease, dirt and soot from all surfaces.

Low Foaming

GuardIt Soy Safe Degreaser® is an innovative degreaser with excellent eco-friendly properties. It is non-toxic and readily biodegradable. Because of its low foaming properties, it's ideal for use with pressure washing equipment and auto-scrubbing machines.

Safe to Use

The product is non-flammable, non-hazardous, and non-corrosive and has non-irritant properties. It has a low odour, is non-carcinogenic and is not an irritant or sensitizer, which makes it totally safe to use.

An Eco-friendly solvent

Complies with Australian Standard AS4351 and is non-toxic and readily biodegradable which gives the product an excellent environmental profile.

A powerful solution

It is a powerful industrial strength, safe alternative solvent cleaner suitable for a wide range of industrial applications ranging from floors, hard surfaces, equipment, machinery, kitchens and vehicles etc.

Product Benefits

- ✓ Low foaming
- ✓ Safe, non-flammable
- ✓ Non hazardous
- ✓ Non corrosive
- ✓ Non toxic
- ✓ Readily biodegradable
